**Bangor Water District Disclaimer:** The list of laboratories above was obtained from the ME Drinking Water Program Website, <http://www.maine.gov/dhhs/eng/water/>, and may not represent all laboratories in Maine certified to test lead in drinking water. Please be advised to contact individual laboratories and ask if they are certified to test lead in drinking water before proceeding. Test prices are subject to change and other conditions unique to each laboratory may apply that are beyond the control of the Bangor Water District. You are encouraged to contact us at **207-947-4516 ext. 409** for assistance selecting a certified laboratory, understanding sampling instructions, and/or understanding lead in drinking water results.
